DO NOT SACRIFICE QUALITY FOR THE FALSE PROMISE OF ACCESS TO PSYCHOLOGY IN ONTARIO

CUTS TO TRAINING & FEWER CHECKS

- ✗ Removes the 4-year supervised work requirements for MA- level registrants
- ✗ No ethics exam or oral exam
- ✗ Unlimited attempts on Psychology knowledge exam (EPPP)

75% reduction
in real-world training

THERE ARE BETTER SOLUTIONS

- ✓ Register psychologists faster by making thoughtful, gradual changes
- ✓ Create national standards across Canada
- ✓ Increase funded training programs (e.g., PsyD)
- ✓ Increase psychologists in public health settings

**MOVING ONTARIO TO THE
LOWEST STANDARDS IN THE
COUNTRY... AND GLOBALLY!**

**We wouldn't try to get more
medical doctors by slashing training
- why is it okay for psychologists?**

COLLAPSING PRACTICE AREAS

Removes formal recognition of practice areas (e.g., forensics and neuropsychology) and client groups (e.g., children).

Expertise should be checked by the CPBAO to ensure public safety
